General Manager's End of Season Message

Our 2026 season has been one to remember. We dealt with race day cancellations due to wildfire smoke and rain, while also mourning the loss of some longtime members of our racing community. It was a shortened race season, but with the support of you — our fans — you still made it all worthwhile.

Due to rescheduling from the weather cancellations and other OSS conflicts, we held our two BIG stake races together on the same race day. We didn't know what to expect, as this was a first for Hanover Raceway, but it turned out to be a great day. I guess you could say we saved the best for last!

I can't thank everyone enough for your support of Hanover Raceway, whether you showed up for the races here at the track or joined us virtually from across the world. It is all appreciated.

A big shout-out to the staff at Hanover Raceway and our supporting businesses who work tirelessly in the background to put on the show. And to our sponsors, who help us provide you with a quality product.

In closing, it has been my honour to share another season with you all. I will cherish the many good laughs, friendships and memories.

Stay safe and see you in 2027!!

Bud and Ethel Fritz Memorial Pace

Hanover Raceway is pleased to dedicate an Invitational Pace in Honour of Bud & Ethel Fritz.

Over the course of 61 years, Hanover Raceway was the hometown track for the Fritz Stable.

There was a time in the 1980s and early 1990s that the name of William "Bud" Fritz was synonymous with harness racing in Ontario. The Fritz stable came as close to dominating the province's sire stakes program as any single operation ever has. 1990 would be one of the most memorable years for the Stable winning the $1 million North America Cup with his pacer, Apaches Fame and never losing a race with his trotter, A Worthy Lad.

Fritz received O'Brien Awards for Canada's Horseman of the Year in 1986, 1989 and 1990 as well as Canada's Trainer of the Year in 1990. He was Inducted into the Canadian Horse Racing Hall of Fame in 2002.

Bud enjoyed a very successful career that was made possible with the support of his wife, Ethel and his 9 children. Many have followed in his footsteps and have had success with the knowledge from their father and mother.

Both Ethel and Bud are greatly missed by family, friends and the entire harness racing community, but their presence will never be forgotten.

On behalf of the Fritz family we are honoured to present this race in memory of their dear parents and grandparents.

General Operations
Supervision of the pari-mutuel betting and drug control services is provided by the Canadian Pari-Mutuel Agency (CPMA), a division of Agriculture Canada, the Honourable Lawrence MacAulay M.P. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a $2 bet on the win pool may be as low as $2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges or the Alcohol And Gaming Commission of Ontario (AGCO) with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

Cancellation Policy
In the event that cancellation of races should result for any reason after four races have been run in any day¹s program, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, rain checks will be issued for admission and upon producing the day¹s Official Program at the program seller¹s booth, a next day¹s racing program will be exchanged. Under no circumstances will money be refunded.

Refunds
Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is canceled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch and at least one horse of that entry or mutuel field starts in the race, all tickets purchased on that entry or mutuel field remain valid, and the purchase price of any such ticket shall not be refunded.

Fair Start
The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (h) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (l) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

Breaking Rule
When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

Entry or Field in an Exacta
Exacta pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutuel field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

Daily Double & Late Double Betting
Where the daily double feature is operated, the daily double is a betting transaction in which the purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double and that if the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double his bet is void and that all tickets in the second half of the daily double not coupled with the declared official winner of the first half of the daily double are void no matter what circumstances might affect the programmed running of the second half of the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holders of all daily double tickets on such horses, coupled with the winner of the daily double race, shall participate in the Consolation Double pool.

Exacta Betting
Where the exacta feature is operated, the exactor is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.
Trifecta Betting
A Trifecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.
Superfecta Betting
A Superfecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Pick-3 or Pick-4 Betting
The Pick 3 & Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 & Pick 4 respectively. Winning tickets for the Pick 3 & Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.
Pick 5 Betting
The Pick 5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of five successive races specified for the Pick 5 respectively. If no one has correctly selected all 5 winners, the entire net pool is carried over to the next available PICK 5.
Pick 3, Pick 4 & Pick 5 Scratches
In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/ Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection. However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

Common Pool Wagering
Subject to the provisions of the Federal Regulations, in the unlikely event of a communications or computer systems failure, various courses of action may result depending on the nature of the breakdown. Bets from the affected sites, including advance bets, may be considered as a separate pool or may even be refunded in the event of a complete system failure. Changing a site's bets from common pool to separate pool may affect the odds and prices. Customers will be advised by public announcement of the course of action taken.

Rule 7.15
No association shall allow a person under 18 years of age to purchase or cash a ticket. For the purposes of this rule, a "ticket" is defined as a receipt or voucher that is issued by an association for one or more bets on a race or races. The association shall ensure that signs are clearly posted in all areas, or in application forms, where tickets are purchased or cashed, advising the public of the age restriction.

Advance Notice Of New Bet Cancellation Options
The Pari-Mutuel Betting Supervision Regulations are being amended to provide the public, when authorized by an Agency Officer of the Canadian Pari-Mutuel Agency, the option to cancel or retain bets in the following situations after betting has opened. These situations are listed below:
a) when part of an entry or mutuel field is scratched; b) when there is a change in the type of racing surface; c) when the distance of the race changes; d) early bets made thirty minutes before the post time of the first race and, in every other case, before the jugdes or stewards, declare as official, the previous race of the card.
